Signature:……Date:……Time:……
(person authorising the work)

SECTION 4 – AUTHORISATION/ACCEPTANCE (to be completed by the person authorising the work and carrying out the work)

I confirm that the specified isolations, safety measures and precautions have been taken and give my permission for the work to start.

Signature:……Date:……Time:……
(person authorising the work)

I have inspected the safety precautions taken and I am satisfied that they are safe and adequate. I accept responsibility to carry out this work in a safe manner and neither myself nor any person under my control will carry out any work other than that specified. Should any unforeseen matters arise, I will contact the person authorising the work immediately.

Signature:……Date:……Time:……
(person carrying out the work)

SECTION 5 – CANCELLATION (to be completed by the persons carrying out and authorising the work)

I certify that the work specified has been completed, all personnel, tools and equipment have been removed and the area left clean and safe.

Signature:……Date:……Time:……
(person carrying out the work)

THIS PERMIT IS CANCELLED

I confirm that all isolations, safety measures and precautions have been removed and the final inspection carried out and recorded.
I have informed (name)……that the area is safe for return to service.

Signature:……Date:……Time:……
(person authorising the work)

Top copy (white) with any risk assessments, method statements and site plans, etc. to be displayed at the place of work by the person responsible for carrying out the work.
Bottom copy to be retained in the book.
